- 1988 Co-chair (with R. Labelle), Research Issues in Examining the Importance of Physician Fees in Determining Medical Care Utilization (a one-day workshop), Hamilton, Ontario

PROFESSIONAL ORGANIZATIONS

Canadian Association of Health Services and Policy Research
 Canadian Health Economist Study Group
 International Health Economics Association
 Canadian Economics Association

AREAS OF INTEREST

Health Care Financing; Health Care Funding; Equity in Health and Health Care; Normative economic analysis in the health sector; Resource Allocation in the Health Sector; Experimental Methods in Health Economics

EDUCATIONAL ACTIVITIES

Program Development

In 2004-05 I led (working with departmental colleagues) the development of a new Masters program in Economics: Masters of Arts in Economic Policy.

Courses Developed

ECON 773/774: Economic Policy Analysis

- A two-semester course that surveys key aspects of policy development in Canada and the economic analysis of public policy. Jointly developed with three other individuals.

ECON/HRM 788: Graduate Survey of Health Economics

- one-semester graduate survey course for students in the Department of Economics (M.A. and Ph.D.), the Health Research Methodology Program (M.Sc. and Ph.D.), and the PhD Program in Health Policy

ECON/HRM 791: Advanced Topics in the Economics of Health and Health Care

- one-semester course intended for students who have successfully completed a graduate survey course in health economics. Developed one-half of course while co-taught with G. Stoddart.

MS 722: Development, Health and Health Care

- one-semester readings course developed for students in the M.Sc programme in Design, Measurement and Evaluation, particularly those in the International Clinical Epidemiology Network Stream.

ECON 3LL03: History of Economic Theory

- one-semester third- and fourth-year undergraduate course on the history and development of economic thought

ECON 3Z3: Health Economics

- a one-semester third-year undergraduate survey course on health economics

ECON 2CC03/SocSci 2C03: Introduction to Health Economics

- a one semester undergraduate course in health economics for those with no previous background in economics; introduced as part of the Bachelor of Health Studies Program

Full Courses Taught (Responsible for leading all sessions and student evaluation)

Graduate:

ECON/HRM 788: Graduate Health Economics: 1988-1992, 1999-00, 2003, 2004, 2007, 2010-15

MS 722: Development, Health and Health Care: Summer 1990-92

ECON 700: Topics in Economics (Independent Study): Supervisor for D. Srivastava, 1998

BUS 738: Health Policy: Supervisor for K. Baig, 1998

BHS 3H03: Inquiry: Supervisor to Bryden Magee, 2006

Undergraduate:

ECON 2CC3/HS2C03: Introduction to Health Economics, 2000, 2004
ECON 3LL3: History of Economic Theory: 1996, 1997, 2003, 2004
ECON 3Z3: Health Economics: 1988-1990, 2001, 2003, 2004, 2011
ECON 4N03: Supervisor, S. Chin, 2001; M. Kirk, 2004
BHSc 3B03: Supervisor, B. Magee, 2006
Supervisor, J. Law, 2007

Partial Courses Taught: led selected sessions and/or acted as Course Coordinator

ECON 773/774 Course Coordinator 2005/06 - 2008/09; led 7-8 sessions each year.
ECON/HRM 788: Graduate Health Economics: Course Coordinator, led 5-7 sessions, 1997, 1998, 2001, 2008, 2017; led 1-2 sessions each, 1992, 1994-1996, 2004-2006, 2017
ECON/HRM 791: Advanced Topics in the Economics of Health and Health Care: Co-taught, 1994-97, 1999-2007; Course Coordinator, 1998, 1999, 2008, 2011-2014
MS 722: Development, Health and Health Care: Co-taught with David Feeny, 1995
MS 722: Readings Course: Issues in the Decentralization of Health Care Systems: Co-tutor with J. Lomas, 1992
MS 754: Special Topics in International Research Methodology - Health Economics Component. Component Coordinator, tutored 10 sessions. Co-tutor with B. O'Brien and R. Goeree, 1991-92
MS 787: Fundamentals of Health Economics, 5 sessions total, 1991-1992
MS 702: Introduction to Biostatistics, 10 sessions total, 1990-1992
MS 721: Introduction to Clinical Epidemiology, 4 sessions in total, 1989, 1990
MS 730: Introduction to Research Methods, 4 sessions total, 1989-1992
ECON 2CC3/HS2C03: Introduction to Health Economics, Fall 2001
HTH SCI 3B4/4B4: Health, Science, and Society health economics session, one-hour sessions, 1988, 1989, 1992, 1994, 1996, 2004-2006
HTH SCI Unit 5: Undergraduate Medical Education Program: Co-tutor, Population Health, Spring 1990; small-group format, 6 students
MD Program: Horizontal elective, 1 session, Spring 1997(health economics); Fall 2005-2011, 2013 (Health Care Financing)
HP 798 Independent Study: Measuring Inequality, 2014 (joint with K. Cuff), 2015 (joint with M. Grignon)

Supervisorships and Thesis Committees

Post-Doctoral Fellows:

Steven Morgan, 2001-02

Sung-Hee Jeon, 2003-06
Farah Farahati, 2004-05
Robert Nuscheler, 2006-07
Jingjing Zhang, 2008-10
Emmanuel Mentakis, 2008-10

Ph.D. Supervisor:

Valerie Ulep, Health Policy, completed, 2018
Li Wang, Health Research Methodology, in progress
Stephanie Thomas, Economics, completed, 2017
Marjan Walli-Attai, Health Policy, completed, 2018
Junying Zhao, Health Policy, completed 2015
Sara Wang, Economics, completed 2013
Taha Jamal, Economics, completed 2015
Jinhu Li, Economics, completed, 2011
G. Emmanuel Guindon, Health Research Methodology, completed, 2010
Logan McLeod, Economics, completed, 2009
Gillian Mulvale, Health Research Methodology, completed, 2006
Hai Zhong, Economics, completed, 2006

Ph.D. Thesis Committee:

Lan Wei Economics, in progress
Luc Clair, Economics, completed, 2017
Avi Denburg, Health Policy, completed, 2018
Xue (Helen) Zhang, Economics, completed, 2017
Natalie Malak, Economics, completed 2018
Sihui Tao, Economics, in progress
Qi (Felix) Li, Economics, completed, 2014
Sandra Jelovac, Health Policy, 2016
Jaime Ardilla, Health Policy, in progress
Cong Li, Economics, completed, 2012
Jennifer Zelmer, Economics, completed, 2004
Mike Farnworth, Economics, completed, 2000
Emile Tompa, Economics, completed 2000
Fred Aswani, Economics, completed 2000

MA Thesis Supervisor:

Chandrakant Pandav, Design Measurement and Evaluation, completed, 1991
Catherine Morris, Masters of Economics Policy, completed, 2006
Joseph Park, Masters of Economic Policy, completed, 2006
Huizi Zhao, Masters of Economic Policy, completed, 2006
Tara McGrath, Masters of Economic Policy, completed, 2007
Dale Marsden, Masters of Economic Policy, completed, 2008
Su Yu Xu, Masters of Economic Policy, completed, 2008

Patricia Stefanowska, Health Research Methodology, completed, 2009

MA Thesis Committee:

Charles Chung, DME, completed, 1990

Dipty Jain, DME, completed 1992

Roland Grad, DME, completed, 1996

Chris Altmeyer, HRM, completed, 2000

Honours B.A. Thesis Supervisor:

David Robertson, completed, 1991

Amisha Parekh, completed, 2002

Faculty Supervisor:

Paul Stolee, DME, 1989-90

Chandrakant Pandav, DME, 1990-91

Robert Ewart, DME, 1994-95

CHEPA Graduate Studentship:

Emile Tompa, 1996

Other:

PhD Comprehensive Exam Committee, PhD Program in Health Policy, 2010-18

External Examiner, MSc., Andre Maddison, Department of Community Health and Epidemiology, Dalhousie University, June 2010.

External Examiner, MSc, Andrea Smith, Department of Community Health and Epidemiology, Dalhousie University, August, 2008

External Examiner, PhD Thesis, Yee Fei Chia, Department of Economics, University of Toronto, October, 2007

External Examiner, MA Thesis, Meghan McMahon, University of Toronto, Department of Health Policy, Management and Evaluation, April 2007

External Examiner, PhD Thesis, Kimberly McGrail, Department of Community Health and Epidemiology, University of British Columbia, April 2006

External Examiner, PhD Thesis, Stephen Kennedy, Department of Economics, Australian National University, Canberra, Australia, December 2001

External Examiner, PhD Thesis, Alan Shiell, Department of Public Health and Community Medicine, University of Sydney, Sydney, Australia, July 2001

External Examiner, PhD Thesis, Glenn Salkeld, Department of Public Health and Community Medicine, University of Sydney, Sydney, Australia, June 2001

External Reviewer, Msc Thesis Proposal, Judy Hackett, Department of Health Administration, University of Toronto, July 28, 1998.

Led development of long-distance training module, Introduction to the Concepts and Analytical Tools of Health Sector Reform and Sustainable Financing: a Pre-course Distance-Learning Module, for Educational Development Institute of the World Bank 1997-98 (see OTHER FUNDING).

Faculty Member, Flagship Program in Health Care Reform and Sustainable Financing, World Bank, Washington, DC, October 22-24, 1997. Led sessions on Health Economic Concepts for Health Care Reform and Sustainable Financing

Ph.D. Comprehensive Exam Committee, Member, Field of Health Economics, Department of Economics, February 1992, January 1993, October 1993, October 1994, January 1995, September 1995, October 1996, August 2000, November 2001, May 2004, April 2006, May 2007, July 2007, May 2008, June 2011, June 2013, May 2014, May 2015, December 2015, May 2016, December 2016

Organizer, Interprofessional Day in Health Economics and Health Policy Analysis, Faculty of Health Sciences, a one-day curriculum with small and large group sessions to introduce basic concepts in health economics and health policy analysis to health professional students, 1995.

Centre for International Health, Program on a Comparative Study of the Health Care Systems in Canada, Netherlands and U.S.A. Led workshop on provincial reform initiatives in the Canadian health care system, May 1994.

Presenter, How to Teach Critical Appraisal Workshop, session on Health Economics, July 1992.

Member, Ph.D. Examining Committee, Xiangdong Chen, Department of Mathematics, McMaster University, December 1991.

Faculty Member, "Changing Perspectives: Health Economics and Pharmaceutical Evaluation." A Three-day workshop presented to government and pharmaceutical industry representatives, September 1991.

Faculty of Health Science Management Leadership Program, session on Health Economics, April 1989, 1990.

Member of the Ph.D. Examining Committee, Jane Waples, Department of Economics, McMaster University, January 1989.

Participant, Workshop in Role of Tutor in Small Group Learning, May 1988.

RESEARCH FUNDING

"The Socioeconomic Health Gradient in the Life Course in Canada," M. Grignon and Y. Asada (Co-PIs), J. Hurley, S. Kirkland, and L. Plouffe (CIs), CIHR, July 1, 2018 - June 0, 2022, \$317,475.

- “Judgments of Equity in Resource Allocation.” J. Hurley (PI), N. Buckley, K. Cuff, M. Giacomini, and S. Mestelman (CIs). Canadian Institutes of Health Research, April 1, 2012 - August 31, 2013. \$138,087.
- “Experiments on Majority-Rule Voting over the Public Provision of Private Goods.” K. Cuff (PI), N. Buckley, J. Hurley, S. Mestelman (CIs). Social Sciences and Humanities Research Council (SSHRC), July 1, 2011- June 30, 2014, \$136,651.
- “The Link Between Access to Primary Care and Inequity in Hospital Utilization in Canada.” M. Grignon and J. Hurley (Co-PIs), B. Newbold, J. You and S. Allin (CIs). Canadian Institutes of Health Research April 1, 2010 - March 30, 2012, \$151,011
- “Improved Methodological Approaches for Needs-based Resource Allocation.” Y. Asada and G. Kephart (Co-PIs), J. Hurley and S. Bornstein (CIs). Canadian Institutes of Health Research, \$102,543, July 1, 2007 - June 30, 2009.

- “Equity in Health Care Utilization in Canada: Measurement and the Impact of Health Care Policies.” M. Grignon (PI), A. Gildiner, M. Herring, J. Hurley (CIs). Canadian Institutes of Health Research, \$226,411, April 1, 2006 - September 30, 2008.
- “Relationship Between Historical Public Health Unit Budgets and Regional-level Indicators of Public Health Needs in Ontario.” J. Hurley (PI). Ontario Ministry of Health, \$29,253, August 1, 2005 - March 31, 2006.
- “Financing and Funding Health Care: Exploring Equity and Efficiency using Experimental Economic Methods.” J. Hurley (PI); J. Carr, K. Cuff, M. Giacomini, M. Grignon, S. Mestelman, A. Muller, M. Rahal, G. Wardle (CIs). Canadian Institutes of Health Research, \$943,000, April 1 2005 - March 31, 2010.
- “The Dynamics of Parallel Systems of Finance: Interactions Between Canadas Workers Compensation Systems and Public Health Care Systems.” J. Hurley (PI); A. Culyer, W. Gnam, J. Lavis, C. Mustard and E. Tompa (CIs). Canadian Institutes of Health Research, \$75,000, April 1, 2005 - March 31, 2006.
- “Physician Labour Supply in Canada: A Cohort Analysis.” S.H. Jeon and J. Hurley (co-PIs), T. Crossley, B. Hutchison, O. Adams, S. Martin (CIs), Canadian Institutes of Health Research, \$50,977, July 1, 2004 - October 31, 2005. Also approved for funding by Canadian Health Services Research Foundation, for which award was declined.
- “Cost, Access and Equity under Income-based Pharmacare.” S. Morgan (PI), M. Barer, C. Black, R. Evans, M. Maclure, N. Roos, A. Kozyrskyj, C. Metge, E. van Doorslaer, J. Smythe, J. Wright, K. Bassett, R. Reid, J. Agnew (CIs). Canadian Institutes of Health Research, \$481,419, April 2004 - March 2007.
- “Simulating the Effects of MSA-based Public Financing in Canada.” J. Hurley (PI), S. Morgan (CI). Canadian Institutes of Health Research, \$39,950, October 2003 - July 2004.
- “The Organization and Funding of New and Emerging Genetic Tests.” F. Miller (PI), M. Giacomini, J. Hurley R. Carter, L. Zweigenbaum, P. Szatmari (CIs). Canadian Institutes of Health Research, \$359,547, April 2003 - March 2006.
- “Predictive Genetic Tests and Health Care Costs.” J. Hurley (PI), F. Miller, M. Giacomini, S. Morgan, B. O’Brien, R. Goeree (CIs). Ontario Ministry of Health, November 2001 - January 2002, \$75,000.
- “Understanding the Influences on Public Values About Health Care Services and Their Financial Arrangements: An Empirical Study.” J. Abelson (PI), P.G. Forest, C. Dornan, J. Lavis, M. Giacomini, J. Hurley, M. Mendolsohn, F. Miller, S. Morgan (CIs). Canadian Institutes of Health Research, January 2002 - December 2004, \$416,271.
- “Neighborhood Characteristics and Home Care Utilization.” B. Hutchison, (PI), T. Abernathy, S. Birch, J. Eyles, J. Hurley, M. Jerrett, and J. Lillie (Co-investigators), SSHRC, April 1, 2001 - September 30, 2002, \$131,100.
- “Community Care Research and Mentorship Program.” B. Hutchison and J. Ploeg (Co-PIs), many co-investigators including J. Hurley, CIHR (Community Alliances for Health Research Program), April 1, 2001 - March 31, 2006, \$1,286,637.
- “Incentives, Values, and Risks: Identification and Analysis of Key Literatures for the

- Study of Health System Error and Injury.” Giacomini, M. and F. Miller (Co-PIs), J. Abelson, and J. Hurley (CIs), Policy Division, Health Canada, January 1 - March 31, 2001, \$24,980
- “Public and Private Financing: Analytics, Dynamics and Decision-making.” J. Hurley (PI), J. Abelson, J. Butler, D. Cobb-Clark, T. Crossley, R. Evans, M. Giacomini, P. Grootendorst, G. Stoddart, and R. Tamblyn (CIs), NHRDP, \$367,849, November 1, 2000 - March 31, 2003.
- “Integrating Health Services and Health Systems Research into CIHR.” J. Hurley (PI), M. Barer, C. Black and G. Kephart (CIs), SSHRC/CHSRF, \$40,000, July 1 - March 31, 2000.
- “Resource Allocation in the Health Sector.” S. Lewis (PI), F.Champagne, J. Hurley, L. Lemieux-Charles (CIs), Health Application and Evidence Linkage Network, (HEALNet), \$45,000, November 1, 1998 - March 31, 1999.
- “Capitation Policy and Capitation Formulae: A Policy Synthesis.” J. Hurley and B. Hutchison (PIs), S. Birch, J Dorland and R. Reid (CIs), Canadian Health Services Research Foundation, \$49,990, August 1, 1998 - February 15, 1999.
- “Values in Canadian Health Policy: What Are We Talking About?” M. Giacomini and J. Hurley (PIs), Canadian Health Services Research Foundation and multiple partners, \$74,584, March 1, 1999 - September 30, 2000.
- “Knowledge Transfer to Inform Health Care Financing and Delivery: The Role of Health Services Research in Provincial Policy-Making.” J. Lavis and J. Hurley (PIs), J. Abelson, M. Giacomini, G. Stoddart, and C. Woodward (CIs), Canadian Health Services Research Foundation and the Ontario Ministry of Health, \$132,500, November 1, 1998 - October 31, 1999.
- “Evaluation de l’impact du rgime gnral de’assurance-mdicaments.” R. Tamblyn (PI), many co-investigators, including J. Hurley, Ministre de la Sant et des Services sociaux, MRC, and NHRDP, \$151,208.
- “Efficiency, Equity and Resource Allocation: Developing Decision Tools to Support Health District Board Decision Making.” J. Hurley (PI), M. Giacomini and B. Hutchison (CIs), HEALNet, \$38,871, October 1, 1997 - March 31, 1999.
- “Physician Utilization Under Global Caps.” J. Hurley (PI); T. Crossley and P. Grootendorst (CIs), Ontario Ministry of Health, \$67,000; July 1, 1997 - June 30, 1998.
- “Global Physician Expenditure Caps and Physician Services Utilization: A Three-Province Study.” J. Hurley (PI); T. Crossley and P. Grootendorst (CIs), MRC, \$150,008, January 1997 - September 1999.
- “Relative Needs-based Health Care Resource Allocation to the Regional, District and Local Level: Methods, Effects and Policy Implementation Issues.” B. Hutchison (PI); S. Birch, J. Eyles, J. Hurley, J. Lomas (CIs), MRC, \$112,074, 20 months; NHRDP, \$68,533, 21 months, October 1996.
- “Physician Expenditure Cap Policies in Canada: Development, Design, and

- Implications for Analyzing Their Effects.” J. Hurley and R. Card (PIs), NHRDP, Health Canada, \$24,986, September 1, 1995 - September 30, 1996.
- “Comparison of Health Care Utilization and Costs in Health Service Organizations and Fee-for-service Practice.” B. Hutchison (PI), S. Birch, J. Eyles, J. Hurley (CIs) Ontario Ministry of Health, \$233,394, (20 months) May 1, 1995.
- “Information-based Decision Tools in Health Care.” G. Browman (PI) Networks of Centres of Excellence Program, MRC and SSHRC, \$8.6 million, September 1, 1995 - March 31, 1999. Member of the Regional Health Planning Theme led by S. Lewis.
- “Financial Incentives and Disincentives in Canada’s Health System.” M. Giacomini (PI); S. Birch, J. Hurley, B. Hutchison, J. Lomas, B. O ’Brien, G. Stoddart (CIs), NHRDP \$143,000, 1995, 12 months.
- “The Implications of a Determinants of Health Approach to Health Policy.” J. Hurley and J. Lomas (PIs); S. Birch, C. Charles, M. Giacomini, D. Feeny, A. Gafni, G. Stoddart, and G. Torrance (CIs), NHRDP, \$225,000, November 1994 - April 30, 1997.
- “Needs-Based Health Care Capitation: Development and Evaluation of Alternative Approaches -Phase 2.” B. Hutchison (PI); S. Birch, J. Eyles, J. Hurley and J. Lomas (CIs), Ontario Ministry of Health, \$149,358. March, 1995, 13 months.
- “Needs-Based Health Care Capitation: Development and Evaluation of Alternative Approaches - Phase 1.” B. Hutchison (PI); S. Birch, J. Eyles, J. Hurley and J. Lomas (CIs), Ontario Ministry of Health, \$75,815. January 1, 1993 - November 1993.
- “Within-Physician Changes in Billing Profiles in Ontario, 1983-1989.” J. Hurley and C. Woodward (PIs), Ontario Ministry of Health, \$227,571, December 1, 1990 - January 1994.
- “The Effect of Health Service Organizations on Hospital Utilization.” B. Hutchison (PI); S. Birch, J. Hurley and J. Lomas (Co-Investigators), Ontario Ministry of Health, \$155,892, October 1, 1989 - March 31, 1992.
- “Development and Application of a Methodology for Estimating Per-Capita Resource Requirements of Comprehensive Health Organizations.” S. Birch (PI); J. Eyles, J. Hurley, B. Hutchison, and R. Labelle (CIs), Riverside Health Care Facilities Inc., \$59,940, 1989-1990.
- “The Relationship Between Relative Fees and Utilization of Physician Services in Canada, 1975-1987.” J. Hurley and R. Labelle (PIs), NHRDP, Health and Welfare Canada, \$177,124.50, August 1, 1989 - June 30, 1992.
- “The Effect of Relative Fees on the Utilization of Medical Services in Ontario.” J. Hurley and R. Labelle (PIs), U.S. Physician Payment Review Commission, \$17,647, October 1, 1988 - February 28, 1989.
- “Access to Prescription Drugs and the Predicted Effect of Co-Payments on Drug Utilization in Ontario.” J. Hurley (PI), Pharmaceutical Inquiry of Ontario, \$42,695, November 1, 1988 - September 30, 1989.
- “The Role and Potential of Provincial Fee Schedules in Managing Medical Care Utilization: A Feasibility Study.” J. Hurley and R. Labelle (PIs); J. Lomas and

G. Stoddart (CIs), NHRDP, Health and Welfare Canada, \$37,683, June 1, 1988
- December 31, 1989.

OTHER FUNDING

“McMaster Institute for Empirical Social Science Research,” J. Hurley and T. Fetner (Co-leads), M. Dion, J. Dunn, M. Heath, A. Payne, and B. Spencer (CIs). Faculty of Social Sciences, \$94,850, April 2013 - August 2015.

“Development of Training Module for Flagship Learning Program on Health Sector Reform and Sustainable Financing: Introduction to Health Economic Principles. J. Hurley (PI); D. Feeny, M. Giacomini, P. Grootendorst, John Lavis, G. Stoddart, G. Torrance (CIs), Economic Development Institute, World Bank, \$49,950 (US), February 1 - December 31, 1997.

“Infrastructure Grant to the Centre for Health Economics and Policy Analysis (CHEPA). J. Hurley (Principal Investigator, on behalf of CHEPA), Ontario Ministry of Health, \$523,000 annually, 1996 to 1999, 2001-02, 2005-06.

PRESENTATIONS

* invited presentation; ** peer-reviewed presentation

The following list does not include internal presentations at Clinical Epidemiology and Biostatistics Continuing Education and Rounds Sessions, the Centre for Health Economics and Policy Analysis' Health Polinomics Series, or the Department of Economics Seminar Series.

1. *"The Economics of Parallel Private Finance." Presented at, "Is Two-Tier Care in the Future? Private Finance in Canadian Medicare," University of Ottawa Centre for Health Law, Policy and Ethics, Ottawa, Ontario, April 6, 2018.
2. *"Social Science Perspectives on Aging." Discussant for talk by Dr. James Kirkland, Hooker Distinguished Lecturer, McMaster Institute on Research on Aging, McMaster University, Hamilton, Ontario, January 27, 2017.
3. *Financing and Funding Health Care: Some Current Challenges." Presented at UBC Centre for Health Services and Policy Research Annual Conference, Vancouver, BC, April 27, 2017.
4. *"Using Financial Incentives as a Policy Tool." Plenary talk presented at the 5th Vancouver Health Economics Methodology Meeting, Vancouver, BC, June 26, 2015.
5. **"The Interpretation of Health Care Need Among the General Public: An Empirical Investigation using a Discrete-choice Approach." Presented at the 5th Vancouver Health Economics Methodology Meeting, Vancouver, BC, June 26, 2015.
6. **"The Interpretation of Health Care Need Among the General Public: An Empirical Investigation using a Discrete-choice Approach." Presented at the annual meeting of the Canadian Association of Health Services and Policy Research, Montreal, QC, May 27, 2015.
7. *"Canadians polarized constructs of need: Qualitative analysis of responses to a population-based discrete-choice experiment." Presented at the 2nd Workshop on Health Equity: What People Think, Montreal, QC. May 1, 2015.

8. *"The Interpretation of Health Care Need Among the General Public: An Empirical Investigation using a Discrete-choice Approach." Presented at the 2nd Workshop on Health Equity: What People Think, Montreal, QC. May 1, 2015.
9. *" Parallel Finance, Wait Times, and Health System Performance." Presented to the Ontario Ministry of Health and Long-term Care, Toronto, ON, May 19, 2015.
10. *"How Best to Elicit Values - II." Presented at the Workshop on Health Equity: What People Think, Oak Island, Nova Scotia, October 10, 2013.
11. *"How Best to Elicit Values - I" Presented at the Workshop on Health Equity: What People Think, Oak Island, Nova Scotia, October 9, 2013.
12. *"What values to elicit? " Presented at the Workshop on Health Equity: What People Think, Oak Island, Nova Scotia, October 9, 2013.
13. *"Funding, Financial Incentives, and Triple Aim." Presented at the annual meeting of the Canadian Association of Health Services and Policy Research, May 28, 2013, Vancouver, BC
14. *"Health Care Funding, Quality and Costs." Presented at, *Bending the Cost Curve in Health Care*, Saskatoon, SK, September 27, 2012.
15. *Panel Member, "Money matters: How your doctor gets paid impacts the quality of your health care," CIHR Institute for Health Services and Policy Research, Café Scientifique, Toronto, May 8, 2012.
16. *Panel Presentation, "The Way Forward: How Can the System Adapt?" Massey Grand Rounds, 6th Annual Symposium on Equity in Health Care: Access and Outcomes, Massey College, University of Toronto, March 28, 2012.
17. *"Health Care Financing and System Sustainability." Massey Grand Rounds, 6th Annual Symposium on Equity in Health Care: Access and Outcomes, Massey College, University of Toronto, March 28, 2012.
18. *"Physician Responses to Pay-for-Performance Incentives in Ontario." Presented at the Propel Centre for Population Health Impact, University of Waterloo, Waterloo, ON, November 1, 2011.
19. *"Health System Cost Drivers: What do We Know?" Presented at CIHR-MOHLTC Best-Brains Exchange: Health System Renewal in Atlantic Canada, Halifax, NS, November 2, 2011.
20. *"Physician Responses to Pay-for-Performance Incentives in Ontario." Presented at the Johnson-Shoyama School of Public Policy, University of Regina, Regina, SK, September 30, 2011.

21. * “Physician Responses to Pay-for-Performance Incentives in Ontario.” Presented at the Ontario Ministry of Health and Long-term Care, Toronto, Ontario, August 18, 2011.
22. * “Health System Cost Drivers: What do We Know?” Presented at CIHR-MOHLTC Best-Brains Exchange: Health System Renewal — Evidence for Ontario on Cost Drivers, Financing and Delivery Options and Spending Levers, Toronto, Ontario, July 13, 2011.
23. ** “An Experimental Investigation of the Demand for Private Insurance and of Health Systems Outcomes under a Mixed System of Public and Private Finance.” Presented at the iHEA 8th World Congress, Toronto, Ontario, July 11, 2011.
24. ** “Existence and Magnitude of Health Care Externalities: Evidence from a Choice Experiment.” Presented at the Annual Meeting of the Canadian Economics Association. Ottawa, June 4, 2011.
25. * “Peer-review in CIHR: Challenges for Social Science and Policy Research.” Presentation and panel discussion. Annual Meeting of the Canadian Association of Health Services and Policy Research. Halifax, May 10, 2011.
26. ** “Existence and Magnitude of Health Care Externalities: Evidence from a Choice Experiment.” Presented at the Annual Meeting of the Canadian Association of Health Services and Policy Research. Halifax, May 10, 2011.
27. * “Alternative Financing Mechanisms.” Presented at the Symposium for Health Care Renewal, sponsored by the CIHR Institute for Health Services and Policy Research, the Nova Scotia Health Research Foundation and the Nova Scotia Department of Health, October 13, 2010 , Halifax, Nova Scotia.
28. ** “An Experimental Investigation of the Demand for Private Insurance and of Health Systems Outcomes under a Mixed System of Public and Private Finance.” Presented at the IRDES Workshop on Applied Health Economics and Policy Evaluation, Paris, France, June 24, 2010.
29. * “The Financing and Sustainability of Canada’s Health Care System: What Evidence is Needed to Inform a Health Accord Renegotiation? Presented at the Annual Meeting of the Canadian Association of Health Services and Policy Research. Toronto, ON May 12, 2010.
30. * “Judgments Regarding the Fair Division of Goods: Information, Sample and Good Effects in a Health Context” CHEPA Workshop on Equity in Health and Health Care, Hamilton, Ontario, December 3, 2009.
31. ** “Income-related Equity in the Utilization of Health Care in Ontario: Comparison of Self-report and Actual Utilization.” Presented at the Annual Meeting of the

- Canadian Association for Health Services and Policy Research. Calgary, AB. May 13, 2009.
32. ** “Geographic Equity in Inpatient Hospital Utilization: Canadian Evidence From Ontario.” Presented at the Annual Meeting of the Canadian Association for Health Services and Policy Research. Calgary, AB. May 13, 2009.
 33. * “Turning Logic and Evidence on Their Heads: Australia’s Subsidy to Private Health Insurance.” Presented at the 20th Annual Conference of the UBC Centre for Health Services and Policy Research, Vancouver, March 4, 2008.
 34. * “Parallel Lines do Intersect: Interactions between the Workers Compensation and Provincial Publicly Financed Health Care Systems in Canada.” Presented at the Institute of Work and Health, Toronto, Ontario, October 9, 2007.
 35. ** “Preferences Over Equity in the Allocation of Health Care Resources.” Presented International Health Economics Association, World Congress, Copenhagen, July 12, 2007
 36. ** “Preferences Over Equity in the Allocation of Health Care Resources.” Presented at the Annual Meeting of the Canadian Association of Health Services and Policy Research, Toronto, June 12, 2007
 37. ** “What are People Thinking When They Respond to a Health System Equity Survey?” Presented at the Annual Meeting of the Canadian Association of Health Services and Policy Research, Toronto, June 12, 2007
 38. ** “Publicly Funded Medical Savings Accounts: Expenditure and Distributional Impacts in Ontario, Canada.” Presented at the Annual meeting of the Canadian Health Economist Study Group, Ottawa, Ontario, May 18, 2007.
 39. * “Medical Savings Accounts: Promises and Pitfalls. Presented at Workshop on Health Care Financing and Funding,” Banff, AB, Sep 13-15, 2006.
 40. * “The Chaoulli Decision: Ethical Dimensions of Parallel Private Finance.” Bioethics Interest Group (BIG), McMaster University, December 14, 2005
 41. * “The Growth of Private Finance for Non-medically Necessary Services: Some Implications for Canadas Publicly Financed Health Care System.” CHSRF Invited Exchange, Toronto, Ontario, November 17, 2005.
 42. * “Can We Allow the Private Sector to Play a Larger Role in Canadian Health Care.” The Health Care Issues in Canada Conference, The National Press Club, Ottawa, ON, October 26, 2005
 43. * “Health Care Financing in Canada.” Meeting of the Spanish Health Economics Association, July 2005, Barcelona, Spain

44. ** “Decentralization in Canada: An Economic Perspective.” International Health Economics Association Meeting, July 2005, Barcelona, Spain
45. * “Health Human Resource Planning in Canada.” Panel Member for final session at Health Human Resources in Canada, organized by the Canadian Employment Research Forum, May 27, 2005.
46. * “Needs-based Funding in Health.” Presentation to Public Health Funding Subcommittee, April 7, 2005, Toronto, Ontario
47. * “Hurry up and Wait: The Science, Politics and Policy of Waiting for Health Care.” CE&B Research Day Plenary Session. Speaker and then panel member. January 28, 2005.
48. * “Options for Health Care Financing: Implications for Sustainability.” Ontario Ministry of Health Policy Forum, October 29, 2004, Toronto, Ontario
49. * “Public and Private Roles in Health Care: Trying to Make Sense of the Confusion.” University of Toronto, Health Law Seminar Series, Toronto, April 1, 2004.
50. * “Public and Private Roles in Health Care: Trying to Make Sense of the Confusion.” CE&B Mini-Symposium, Public and Private Health Care. Hamilton, Ontario, December 2003.
51. ** “Parallel Private Health Insurance in Australia: A Cautionary Tale and Lessons for Canada.” International Health Economics Association Meeting, June, 2003, San Francisco, CA.
52. * Presenter and Session Leader, Canadian Health Services Research Foundation 4th Annual Invited Exchange, Finding the Fulcrum: What are the Effective Levers for Change in Health Care. Session on, “Buying Change: What Roles Do New Money and Financial Incentives Play in Bringing About Change.” Toronto, Ontario, May 30, 2003.
53. * “Developing Needs-Based Funding Formulae Using Individual-level Data: An Application to Home Care Services in Ontario.” Department of Economics, University of New-Brunswick, Fredericton, March 13, 2003.
54. * “Developing Needs-Based Funding Formulae Using Individual-level Data: An Application to Home Care Services in Ontario.” Department of Economics, Mount Allison University, Sackville, New Brunswick, March 12, 2003.
55. * “Developing Needs-Based Funding Formulae Using Individual-level Data: An Application to Home Care Services in Ontario.” Joint Department of Economics and Department of Community Health Sciences, University of Calgary, Calgary, AB, February 24, 2003.

56. * “Developing Needs-Based Funding Formulae Using Individual-level Data: An Application to Home Care Services in Ontario.” Department of Community Health and Epidemiology, Dalhousie University, Halifax, N.S., February 4, 2003.
57. * “Reading Romanow” Panel Member of Public Forum to discuss the Romanow Report on Health Care Reform. Faculty of Medicine, Dalhousie University, Halifax, Nova Scotia, January 27, 2003.
58. * “Developing Needs-Based Funding Formulae Using Individual-level Data: An Application to Home Care Services in Ontario.” Department of Health, Government of Nova Scotia, Halifax, N.S., January 16, 2003.
59. * “Developing Needs-Based Funding Formulae Using Individual-level Data: An Application to Home Care Services in Ontario.” Social Policy Health and Economics Research Group Seminar Series, Dalhousie University, Halifax, N.S., November 11, 2002.
60. * “Fostering Linkage between Health Economics Research and Health Policy in Atlantic Canada.” Panel Discussion, Atlantic Economics Society Meeting, Halifax, Nova Scotia, November 2, 2002
61. * “Predictive Genetic Tests and Health Care Expenditures.” Presentation to the F/P/T Coordinating Committee on Genetics and Health, Halifax, NS, September 30, 2002
62. * “Health Services Research: Concepts and Opportunities.” Challenges and Opportunities for Health Research, Nova Scotia Health Research Foundation, Halifax Nova Scotia, September 24, 25, 2002.
63. * “Health Care Objectives and Regulating Private Health Insurance.” Keynote address to conference, Regulating Private Health Insurance: Priorities for Australia and Lessons from Abroad. Canberra, Australia, June 26, 2002.
64. ** “Parallel Private Health Insurance in Australia: A Cautionary Tale and Lessons for Canada” 10th Canadian Conference on Health Economics (CHERA), Halifax, Nova Scotia, May 23, 2002.
65. * “Supporting Health Policy and Effective Management of the Health Care System through Health Information.” 10th Canadian Conference on Health Economics (CHERA), Halifax, Nova Scotia, May 24, 2002.
66. * Comment on M. Baker, Health and Labour Supply of Elderly in China.” Canadian Health Economics Study Group Meeting, Halifax, Nova Scotia, May 22, 2002.
67. * “Public and Private Financing in Health Care.” Policy brief presented to the Standing Senate Committee Social Affairs, Science and Technology (Kirby Commission on

- Health Care). Toronto, Ontario, November 30, 2001.
68. * “Physician Responses to Global Physician Expenditure Caps in Canada.” Department of Economics and Canadian Studies Joint Symposium, Bowling Green State University, Bowling Green, Ohio, September 28, 2001.
 69. * “Primary Care Reform, Payment Reform and Integrated Delivery.” Invited plenary presentation to 9th Canadian Conference on Health Economics, Toronto, May 26, 2001.
 70. ** “Physician Responses to Global Physician Expenditure Caps in Canada.” 9th Canadian Conference on Health Economics, Toronto, May 24, 2001.
 71. * “Physician Responses to Global Physician Expenditure Caps in Canada.” Regional Health Economics Seminar, Ontario Ministry of Health, Toronto, May 9, 2001.
 72. * “Looking into the Future of the Health Care System.” The Albert Lager Alumni Lecture, McMaster University, Hamilton, Ontario, January 24, 2001.
 73. * “Health Care Funding: Challenges to Ensuring a Fair Allocation of Resources and Access to Care.” Expert Forum, Commission d’étude sur les services de sante et les services sociaux, Montreal, Quebec, September 20, 2000.
 74. * “An Approach to Developing a Needs-based Funding Formula for Community Care Services in Ontario.” Community Care Access Centre Forum for CEOs and Executive Directors, Toronto, Ontario, September 8, 2000.
 75. * “Policy Issues for Capitation Payment.” Presentation at the CMA National Negotiations Conference, November 13, 1999, Ottawa, Ontario
 76. * “Integrating Health Services Research into the CIHR.” SSHRC/CHSRF Workshop on CIHR Health Institutes, September 16-17, 1999, Ottawa, Ontario.
 77. * “Issues in Integrating Health Services Research into CIHR.” Workshop on Integrating Health Services Research into the CIHR, August 26-27, 1999, Toronto, Ontario.
 78. * “Policy Issues for Capitation Payment.” Presentation to members of selected provincial governments and the Ontario Health Services Restructuring Commission, June 9, 1999. Video-conference presentation based in Hamilton, Ontario.
 79. * “Overview of Privatization.” 1998 CHEPA Policy Conference, Shifting Involvements: Public and Private Roles in Canadian Health Care. Hamilton, Ontario, May 28-29, 1998.
 80. * “Resource Allocation n Health Care.” Presented as part of site visit for HEALNet external review, Toronto, Ontario, May 25, 1998.

81. * "Information Needs for Needs-based Funding." Panel Member for HEALNet sponsored Workshop on Needs-based Funding Methods, Ottawa, Ontario, November 21, 1997.
82. * "Medical Necessity and Health Policy Making." Presented to an Ontario Ministry of Health Policy Forum, Toronto, Ontario, March 13, 1997.
83. * "Defying Definition: Medical Necessity as a Value." Presented at annual conference of the Ryerson Polytechnic University Ethics Centre, (Examining Fundamental Values: The Future of Health Policy and Health Care, Toronto, Ontario, January 10-11, 1997.
84. * "Measurement of Effectiveness." Presented at the WHO Meeting on, The Evaluation of Cost effectiveness in Health Care, Celle, Germany, December 9-11, 1996.
85. * "Interdisciplinary Cooperation in the Production and Dissemination of Information." Presented at the WHO Meeting on, The Evaluation of Cost-effectiveness in Health Care, Celle, Germany, December 9-11, 1996.
86. * "Defying Definition: Medical Necessity and Health Policy," ECHCO (Employer Committee on Health Care, Ontario), November 1996.
87. * "A Tale of Two Provinces: Physician Expenditure Caps as Financial Incentives." Presented to an Ontario Ministry of Health Policy Forum, Toronto, Ontario, October 30, 1996.
88. * "Common Property Economics and Global Physician Expenditure Caps." Presented to British Columbia Medical Association, Vancouver, B.C., October 25, 1996.
89. * "A Policy Analysis Framework for Financial Incentives in the Canadian Health Care System." Presented to the Advisory Committee on Health Services of The Provincial/Territorial Conference of Deputy Ministers, Winnipeg, Manitoba, September 26, 1996.
90. ** "Medical Necessity and Benefit: Some Implications of Using Medical Necessity as a Basis for Resource Allocation." Presented at the 6th International Congress on System Science in Health Care, Barcelona, Spain, September 19, 1996.
91. ** "MadCappers: A Case Study of Global Physician Expenditure Caps as Financial Incentives." Presented at the 6th International Congress on System Science in Health Care, Barcelona, Spain, September 20, 1996.
92. ** "Welfarist and Extra-welfarist Approaches to Evaluative Economic Analysis in the Health Sector." Presented at the International Health Economics Association Inaugural Conference, Vancouver, British Columbia, May 19-23, 1996.

93. * "Financial Incentives to Dispense Low-Cost Drugs" and "Madcappers: A Case Study of Physician Expenditure Caps." Presented to Health Policy Division of Health Canada, Ottawa, Ontario February 14, 1996.
94. * "A Review of Non-fee-for-service Models: Recent Findings." Presented at the 1995 CMA National Health Policy and Negotiations Conference, Ottawa, Ontario, September 18, 1995.
95. * "The Comprehensiveness Dilemma." Discussant/Panel member, The Sixth Canadian Conference on Health Economics, Wilfrid Laurier University, Waterloo, Ontario, August 25, 1995.
96. * "User Charges in the Prescription Drug Market." Presented at the 4th Symposium on Drug Development, Montreal, Quebec, June 13, 1995.
97. * "The 1995 Federal Budget: Implications for Health Care." Presented to the Long-Term Care Committee of the Hamilton-Wentworth District Health Council, Hamilton Ontario, March 7, 1995.
98. * "Canadian Health Care Reform." Panel Member for session at the Allied Social Science Meetings, Washington, D.C., January 6, 1995.
99. * "Methodological Issues in the Analysis of the Utilization of Physician Services and Physician Behaviour." Presented at the Second Utilization Research and Implementation Seminar, Toronto, Ontario, April 21-22, 1994.
100. * "What Ought the Normative Framework Be for Evaluative Economic Analysis in the Health Sector?" Presented at the Groupe de Recherche Interdisciplinaire en Sante, Faculty of Medicine, University of Montreal, September 27, 1993.
101. * "The Canadian Health Care System: Its Development and Contemporary Issues." Presented at the School of Community and Public Affairs, Concordia University, September 29, 1993.
102. ** "The Relationship Between Relative Fees and the Utilization of Physician Services." Presented at the Annual Meeting of the Canadian Economics Association, Ottawa, Ontario, June 6, 1993.
103. ** "Within-Physician Changes in Billing Patterns in Ontario, 1983-1990." Presented at the First International Conference on Strategic Issues in Health Care Management. St. Andrews, Scotland, April 1-3, 1993.
104. ** "Within-Physician Changes in Billing Patterns in Ontario, 1983-1990." Presented at the Eastern Economic Association Meetings. Washington, D.C., March 19, 1993.
105. * "Physicians Practice Choices: Specialty, Location and Mode." Presented at the All India Institute of Medicine, New Delhi, February 1, 1993.

106. * “Quality Assurance and Evaluation in Health Care.” Presented to the Center for Community Medicine, All India Institute of Medicine, New Delhi, February 1, 1993.
107. * “Is there a Crisis in the Canadian Health Care System?” Presented to the United Church Division on Health Services, Toronto, October 23, 1992.
108. ** “Decentralization within Publicly-Funded Health Care Systems.” Presented at the Sixth World Congress of Social Economics, Omaha, Nebraska, August 9-11, 1991.
109. * “Economic Perspectives on Risk.” Presented at conference on Risk Estimation for Pharmaceuticals, sponsored by the Canadian Public Health Organization, Health and Welfare Canada, and the World Health Organization, Ottawa, Canada, November 20-21, 1990.
110. ** “Should Cost-Utility Analysis Be Used to Assign Priorities for Health Care Resource Allocation?” Presented (with R. Labelle) at the Fourth Canadian Conference on Health Economics, Toronto, August 27-29, 1990.
111. ** “Methodological Issues in Evaluating the Effects of Alternative Funding Mechanisms.” Presented (with S. Birch) at British Health Economists Study Group, Summer Meetings, Dublin, Ireland, July 5, 1990.
112. * “Access to Prescription Drugs in Ontario and Some Analytics of Cost-Sharing Policies.” Presented to the Pharmaceutical Inquiry of Ontario, July 25, 1989.
113. ** “The Relationship Between Physician Fees and the Utilization of Physician Services in Ontario.” Presented (with R. Labelle) at Health Economics and Health Policy in the 1990’s: Surprises from the Past and Forecasts for the Future, Williamsburg, VA, April 13, 1989.
114. ** “Physicians’ Choices of Specialty, Location, and Mode: An Econometric Analysis within an Interdependent Decision Framework.” Presented at the Health Economics Research Organization Session, American Economic Association Meetings, Chicago, IL, December, 1987.

ADMINISTRATIVE RESPONSIBILITIES

Internal:

- 2017 Member, Search Committee, Assistant Vice-President and Chief Technology Officer
- 2016 - Co-Chair, McMaster University Brand Development Committee
- 2015-16 Member, Search Committee, Dean/VP Faculty of Health Sciences
- 2014-15 Member, Working Group for the President’s Research Showcase on Big Data
- 2014 - Member, McMaster University Senate
- 2013-14 Member, Search Committee, CHEPA-MOHLTC Health Equity Chair
- 2012-13 Member, Design Working Group, Wilson Building for the Liberal Arts,

Faculty of Social Sciences

2010-15 Coordinator, Health Economics at McMaster (HEAM) Group

2011-15 Chair, Department of Economics, Faculty of Social Sciences

2010-15 Member, Advisory Committee, Inter-faculty PhD Program in Health Policy

2010-11 Member, *Ad hoc* Committee to Revise Policy on Establishment of Research Groups, Centres and Institutes, McMaster University

2010-15 Member, Committee on Faculty, Department of Economics

2008-10 Chair, Search Committee, Ontario Research Chair in Health Human Resources

2008 Member, Search Committee, Cancer Care Ontario Chair in Health Services Research, Department of Oncology

2007-08 Associate Chair, Department of Economics

2005-08 Theme Leader, Health Systems, Collaborations for Health

2005-08 Member, Advisory Group, Collaborations for Health

2006-08 Associate Director, Centre for Health Economics and Policy Analysis

2005-06 Acting Director, Centre for Health Economics and Policy Analysis

2005-08 Director, Masters Policy Stream Component, Department of Economics Graduate Program

2005-08 Member, Committee on Faculty, Department of Economics

2005-06 Member, Search Committee, Director of CHEPA (Centre for Health Economics and Policy Analysis)

2005-06 Member, Search Committee, Director of PATH (Program for the Assessment of Technology in Health)

2004-05 Member, Collaborations for Health Steering Committee

2004-05 Associate Chair, Department of Economics

2003-04 Chair, Task Force on Integrated Health Research and Education

2003-04 Member, Graduate Studies Committee, Department of Economics

2003-04 Member, HRM Design Team, Faculty of Health Sciences

2003-04 Member, Recruitment Committee, Department of Economics

2001-02 Acting Director, Centre for Health Economics and Policy Analysis

2001-02 Member, Committee on Faculty, Department of Economics

2001-02 Search Committee, Health Politics position, Bachelor of Health Studies Program

2001-02 Committee of Faculty, Department of Economics

2001-02 Member, CE&B Departmental Council

2000-01 Chair Search Committee, Health Economics Position, CHEPA

2000-02 Academic Student Counseling, Department of Economics

2000-15 CE&B Liaison, Department of Economics
